Know your Steak...

Rump Steak
Often underrated. Lean, juicy & full of flavour. A delightful balance of tenderness & texture.

Sirloin Steak
Leaner with a beefier taste than ribeye steaks, meaning it is more suitable for highly flavoured sauces.

Ribeye Steak
Flavourful & highly marbled. The ribeye steak is known for it's rich flavour & melt-in-your-mouth texture.

T-Bone Steak
Two steaks in one, made up of the fillet & sirloin divided by a T-shaped bone; providing two different textures and flavours. A truly iconic steak.

Cook it your way...

Blue
Soft and tender, lightly seared on the outsides, completely cool and red on the inside.

Rare
Browned around the sides & lightly charred on the top & bottom. A cool red center and a soft and tender texture.

Medium Rare
Warm red center, soft with a slight bounce back, well browned sides with a charred top and bottom.

Medium
Hot pink center, slightly firmer in texture with rich brown sides, with a dark charred top and bottom.

Medium Well
Mostly brown with a touch of pink through the center, firm in texture with dark and brown sides with darker charring on the top and bottom.

Well Done
Firm and dry with a grey-brown center, with little to no pink colour.
